

IN THEIR OWN WORDS: A TRUSTED TECHNOLOGY PARTNER FOR K-12 SCHOOLS

See what Principals, Superintendents, and other educational leaders have to say about the transformative effect of Vinson Managed Services on their learning organizations' infrastructure and technology usage.

Brad Romano

Superintendent - New London Local Schools

Our partnership with Vinson transcends the traditional vendor engagement. Not only is their level of day-to-day support superior to any other firm I've worked with, but their team also routinely collaborates with on how to more efficiently integrate new technologies into their existing processes. What's more, Vinson has worked tirelessly to lower our operational and hardware costs while increasing teacher and student trust in the tech they implement.

David Csank

Principal - Villa Angela-St. Joseph High School

The Vinson team has empowered our teachers to be more effective educators while better differentiating their lesson plans. They have established innovative new ways for our teachers to teach and our students to learn.

Sister Mary Rosario

Principal - Our Lady of Mount Carmel

The Vinson team is extremely reliable and quick to meet any and all of our needs. If I have a problem related to technology, they solve it for me. They've also be immensely helpful in transitioning our faculty from traditional learning techniques to a more blended style that incorporates cutting-edge technology.

Gregory C. Isler

Superintendent - Windham School District

There is no question that Vinson has helped our administrative team to better utilize the latest and greatest technologies. They have saved us valuable time while offering collaborative solutions that allow us to accomplish more with less.
